

CLUB JOINING INSTRUCTIONS

Pangbourne Paddlesport Club (PPC) uses JustGo – the same membership platform as British Canoeing (BC). This allows you to manage your PPC and BC memberships in one, integrated platform. Joining PPC does not require you to have a paid membership of BC, but if you are already a BC member, it's simple to add on PPC membership.

There are six membership types: Family, Adult, Junior, Student, Senior and Social. Details can be found on the [PPC website](#).

Joining PPC is made in three steps:

Log in or create new account with British Canoeing

1. Go to the British Canoeing website: <https://www.britishcanoeing.org.uk/>
2. Click 'Join/Sign In' (top right corner)
3. If you already have a British Canoeing account, log in with your username and password
4. If you do not have a British Canoeing account, follow the sign-up process under the 'New Member? / Register with British Canoeing today' section. **Sign up is free**
5. When you sign in, you'll land on the 'MY PROFILE' page
6. You can close the green 'Join British Canoeing today!' banner at the top. **You do not need to join British Canoeing to be a member of Pangbourne Paddlesport Club**
7. If you've not previously added information to the 'PROFILE' tab – basic details, emergency contact, etc. – go ahead and do that now. It is important that this is done because some Pangbourne Paddlesport Club membership types are linked to age e.g. Junior and Senior

Link your account to Pangbourne Paddlesport Club

1. Now link your account to Pangbourne Paddlesport Club. Click the [Select Club] button on the right-hand side. A 'Club Finder' window will open

5. If you choose Family membership, you will need to add family members using the [+Add Family Member]. Note that each family member needs an individual British Canoeing account (**but does not require British Canoeing Membership**)
